IN RE: Application of ATCALL, Inc. for a Certificate of Public Convenience and Necessity for Authority to Operate as a Reseller of Interexchange Telecommunications Services within the State of South Carolina.) ORDER APPROVING CERTIFICATE)

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of the Application of ATCALL, Inc. ("ATCALL" or the "Company") requesting a Certificate of Public Convenience and Necessity authorizing it to operate as a reseller of interexchange telecommunications services, including pre-paid calling card services, in the State of South Carolina. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1994) and the Regulations of the Public Service Commission of South Carolina.

The Commission's Executive Director instructed ATCALL to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of ATCALL's Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. ATCALL complied with this instruction and provided the Commission

with proof of publication of the Notice of Filing. No Petitions to Intervene or protests regarding ATCALL's Application were received by the Commission.

A public hearing was commenced on January 18, 1996, at 11:00 a.m. in the Commission's Hearing Room. The Honorable Rudolph Mitchell, Chairman, presided. ATCALL was represented by Faye A. Flowers, Esquire; Catherine D. Taylor, Staff Counsel, represented the Commission Staff.

In support of its Application, ATCALL presented the testimony of Leila Baheri, Legal Counsel to ATCALL. Ms. Baheri explained the Company's request for authority to provide interexchange telecommunications services in South Carolina as a non-facilities based reseller. Ms. Baheri described the Company's services, its managerial, technological, and financial resources, and its marketing procedures. Ms. Baheri stated that ATCALL will provide its services in compliance with the Commission's rules and regulations.

After full consideration of the applicable law, the Company's Application, the evidence presented by the Company and the Commission Staff, the Commission hereby issues its findings of fact and conclusions of law:

FINDINGS OF FACT

1. ATCALL is incorporated under the laws of the State of Delaware and has received a Certificate of Authority to Transact Business as a Foreign Corporation in the State of South Carolina.
2. ATCALL operates as a non-facilities based reseller of

interexchange services and wishes to do so in South Carolina.

3. ATCALL has the experience, capability, and financial resources to provide the services as described in its Application.

CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to ATCALL to provide intrastate interLATA service and to originate and terminate toll traffic in the same LATA, as set forth herein, through the resale of intrastate Wide Area Telecommunications Services (WATS), Message Telecommunications Services (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Commission adopts a rate design for ATCALL for its resale services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order no. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. ATCALL shall not adjust its rates below the approved maximum level without notice to the Commission and to the public. ATCALL shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not

required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S.C. Code Ann. §58-9-540 (Supp. 1995).

4. ATCALL is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers should be treated similarly to facilities-based interexchange carriers.

5. With regard to the Company's resale of service, and end-user should be able to access another interexchange carrier or operator service provider if they so desire.

6. ATCALL shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If ATCALL changes underlying carriers, it shall notify the Commission in writing.

7. With regard to the origination and the termination of toll traffic in the same LATA, ATCALL shall comply with the terms of Order No. 93-462, Order Approving Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

8. ATCALL shall file surveillance reports on a calendar or

fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

9. With regard to ATCALL's debit card, the Commission requires, as a condition of offering debit card services, the Company to post with the Commission a bond in the form of Certificates of Deposit worth \$5,000 drawn in the name of the Public Service Commission of South Carolina or a surety bond in the amount of \$5,000. The Certificates of Deposit shall be drawn on federal or state chartered banks or savings and loans associations which maintain an office in this state and whose accounts are insured by either the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation. A surety bond shall be issued by a duly licensed bonding or insurance company authorized to do business in South Carolina. This condition may be reviewed in one year.

10. ATCALL shall file its revised tariff and accompanying price list reflecting the findings herein and its agreed upon tariff amendments within thirty (30) days of the date of this Order. The revised tariff shall be consistent with the Commission's Rules and Regulations.

11. This Order shall remain in full force and effect until further Order of the Commission.
